

May, 2008

Dear Friends of Feeling Blue SPC,

We lose someone to suicide every 16 minutes, and for every person who dies by suicide, at least six people are directly affected by this devastating loss. Every day in Pennsylvania 25 people attempt to end their lives. We at Feeling Blue SPC work diligently to raise awareness about the prevalence of suicide and educate people in the community about the risk factors and warning signs of suicide and how to assist suicidal people. We believe suicide can be prevented and lives can be saved.

Your generosity in support of our inaugural Golf Tournament will enable us to continue to implement a variety of strategic initiatives to enhance the organization. Some of these initiatives focus on gatekeepers, or people in contact with potentially suicidal people, some on the suicide attempters themselves, and some for the family members who have lost a loved one to suicide.

As you peruse this brochure you can see we are swinging into an exciting, fun-filled affair! The day is certain to offer you a perfect chance to play an awesome course and to support Feeling Blue SPC.

Please know that in support of Feeling Blue SPC you are remembered

Enjoy the day and thank you in advance for your support of the mission and staff of Feeling Blue!

With respect,  
Heidi Bryan

Feeling Blue Suicide Prevention Council is a community-based organization dedicated to preventing suicide, reducing the stigma associated with suicide, and supporting those people affected by depression or by the loss of a loved one to suicide. We do this through education and support.

Please join us for our First Annual Feeling Blue Suicide Prevention *Swing into Life* Golf Tournament

Proceeds will go to the implementation of suicide prevention training programs within our communities, support for those who have attempted suicide, and those who have lost a loved one to suicide. Your participation can help save lives!

Please visit [www.swingintolife.org](http://www.swingintolife.org) for more information
